## Product Datasheet

### Recombinant MIP-1 alpha / CCL3 ASB-OPSD00163

|                            |                                                                                                     |
|----------------------------|-----------------------------------------------------------------------------------------------------|
| Article Name               | Recombinant MIP-1 alpha / CCL3                                                                      |
| Biozol Catalog Number      | ASB-OPSD00163                                                                                       |
| Supplier Catalog Number    | OPSD00163                                                                                           |
| Alternative Catalog Number | ASB-OPSD00163-5UG                                                                                   |
| Manufacturer               | Aviva                                                                                               |
| Category                   | Proteine/Peptide                                                                                    |
| Source                     | E.coli                                                                                              |
| Purity                     | Typically $\geq 95\%$ , determined by:Reducing and Non-reducing SDS-PAGE, UV spectroscopy at 280 nm |
| Form                       | Lyophilized from a sterile filtered aqueous solution containing 0.1% Trifluoroacetic Acid (TFA)     |
