| Category                   | Proteine/Peptide                                                                                                                                                                                                                                              |
| Application                | IHC, WB                                                                                                                                                                                                                                                       |
| Species Reactivity         | Bovine, Guinea pig, Human, Mouse, Rabbit, Rat                                                                                                                                                                                                                 |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the middle region of human KCNC3                                                                                                                                                                        |
| Product Description        | The Shaker gene family of Drosophila encodes components of voltage-gated potassium channels and is comprised of four subfamilies. Based on sequence similarity, this gene is similar to one of these subfamilies, namely the Shaw subfamily. KCNC3 belongs... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                    |
| Concentration              | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molecular Weight           | 80kDa                                                                                                                                                                                                                                                         |
| NCBI                       | <a href="#">3748</a>                                                                                                                                                                                                                                          |
| UniProt                    | <a href="#">Q14003</a>                                                                                                                                                                                                                                        |

|      |                                                                                                   |
|------|---------------------------------------------------------------------------------------------------|
| Form | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
