| Category                   | Proteine/Peptide                                                                                                                                                                                                                             |
| Application                | WB                                                                                                                                                                                                                                           |
| Species Reactivity         | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Porcine, Rabbit, Rat, Zebrafish                                                                                                                                                            |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the C terminal region of human ZNF282                                                                                                                                                  |
| Product Description        | ZNF282 contains 1 KRAB domain and 5 C2H2-type zinc fingers. It belongs to the krueppel C2H2-type zinc-finger protein family and binds to the U5 repressive element (U5RE) of the human T cell leukemia virus type I long terminal repeat.... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                   |
| Concentration              | 1.0 mg/ml                                                                                                                                                                                                                                    |
| Molecular Weight           | 74kDa                                                                                                                                                                                                                                        |
