| Category                   | Proteine/Peptide                                                                                                                                                                                                                                              |
| Application                | IHC, WB                                                                                                                                                                                                                                                       |
| Species Reactivity         | Human                                                                                                                                                                                                                                                         |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the C terminal region of human TNFRSF18                                                                                                                                                                 |
| Product Description        | The protein encoded by TNFRSF18 is a member of the TNF-receptor superfamily. This receptor has been shown to have increased expression upon T-cell activation, and it is thought to play a key role in dominant immunological self-tolerance maintained by... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                    |
| Concentration              | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molecular Weight           | 26 kDa                                                                                                                                                                                                                                                        |
| NCBI                       | <a href="#">8784</a>                                                                                                                                                                                                                                          |
| UniProt                    | <a href="#">Q9Y5U5</a>                                                                                                                                                                                                                                        |

|      |                                                                                                   |
|------|---------------------------------------------------------------------------------------------------|
| Form | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
