| Host                       | Rabbit                                                                                                                                                                                                          |
| Category                   | Proteine/Peptide                                                                                                                                                                                                |
| Application                | ELISA, IHC, WB                                                                                                                                                                                                  |
| Species Reactivity         | Human, Mouse                                                                                                                                                                                                    |
| Immunogen                  | Recombinant Human Ubiquitin carboxyl-terminal hydrolase 26 protein (664-913AA)                                                                                                                                  |
| Conjugation                | Unconjugated                                                                                                                                                                                                    |
| Product Description        | Involved in the ubiquitin-dependent proteolytic pathway in conjunction with the 26S proteasome (By similarity). Deubiquitinates the androgen receptor and regulates the androgen receptor signaling pathway.... |
| Clonality                  | Polyclonal                                                                                                                                                                                                      |
| NCBI                       | <a href="#">83844</a>                                                                                                                                                                                           |
| Form                       | Liquid                                                                                                                                                                                                          |
