| Category                   | Proteine/Peptide                                                                                                                                                                                                                                              |
| Application                | WB                                                                                                                                                                                                                                                            |
| Species Reactivity         | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rabbit, Rat, Sheep, Zebrafish                                                                                                                                                                               |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the C terminal region of human ATP5H                                                                                                                                                                    |
| Product Description        | Mitochondrial ATP synthase catalyzes ATP synthesis, utilizing an electrochemical gradient of protons across the inner membrane during oxidative phosphorylation. It is composed of two linked multi-subunit complexes: the soluble catalytic core, F1, and... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                    |
| Concentration              | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molecular Weight           | 18kDa                                                                                                                                                                                                                                                         |
| NCBI                       | <a href="#">10476</a>                                                                                                                                                                                                                                         |

|         |                                                                                                   |
