| Category                   | Proteine/Peptide                                                                                                                                                                                   |
| Application                | WB                                                                                                                                                                                                 |
| Species Reactivity         | Human                                                                                                                                                                                              |
| Product Description        | This gene is one of several genes thought to confer susceptibility to psoriasis and systemic sclerosis, located on chromosome 6 near the major histocompatibility complex (MHC) class I region.... |
| Clonality                  | Polyclonal                                                                                                                                                                                         |
| Concentration              | 0.5 mg/ml                                                                                                                                                                                          |
| Molecular Weight           | 16kDa                                                                                                                                                                                              |
| NCBI                       | <a href="#">170679</a>                                                                                                                                                                             |
| UniProt                    | <a href="#">Q9UIG5</a>                                                                                                                                                                             |
| Form                       | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                                  |
