| Manufacturer               | Aviva                                                                                                                         |
| Host                       | Rabbit                                                                                                                        |
| Category                   | Proteine/Peptide                                                                                                              |
| Application                | ELISA, IHC, WB                                                                                                                |
| Species Reactivity         | Human                                                                                                                         |
| Immunogen                  | Recombinant Human E3 ubiquitin-protein ligase TRIM31 protein (186-425AA)                                                      |
| Conjugation                | Unconjugated                                                                                                                  |
| Product Description        | Regulator of Src-induced anchorage independent cell growth (By similarity). May have E3 ubiquitin-protein ligase activity.... |
| Clonality                  | Polyclonal                                                                                                                    |
| NCBI                       | <a href="#">11074</a>                                                                                                         |
| Form                       | Liquid                                                                                                                        |
