## Product Datasheet

### **Pde4b Antibody - N-terminal region** **ASB-ARP56255\_P050**

|                            |                                                                          |
|----------------------------|--------------------------------------------------------------------------|
| Article Name               | Pde4b Antibody - N-terminal region                                       |
| Biozol Catalog Number      | ASB-ARP56255_P050                                                        |
| Supplier Catalog Number    | ARP56255_P050                                                            |
| Alternative Catalog Number | ASB-ARP56255_P050-25UL,ASB-ARP56255_P050-100UL                           |
| Manufacturer               | Aviva                                                                    |
| Host                       | Rabbit                                                                   |
| Category                   | Proteine/Peptide                                                         |
| Application                | WB                                                                       |
| Species Reactivity         | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rabbit, Rat, Zebrafish |
| Immunogen                  | The immunogen is a synthetic peptide corresponding to a region of Mouse  |
| Product Description        | The function remains unknown....                                         |
| Clonality                  | Polyclonal                                                               |
| Concentration              | 0.5 mg/ml                                                                |
| Molecular Weight           | 82kDa                                                                    |
| NCBI                       | <a href="#">18578</a>                                                    |
| UniProt                    | <a href="#">Q9QXI7</a>                                                   |

|      |                                                                                                   |
|------|---------------------------------------------------------------------------------------------------|
| Form | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
