| Manufacturer               | Aviva                                                                                                                |
| Host                       | Rabbit                                                                                                               |
| Category                   | Proteine/Peptide                                                                                                     |
| Application                | WB                                                                                                                   |
| Species Reactivity         | Bovine, Equine, Guinea pig, Human, Mouse, Rat, Zebrafish                                                             |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the C-terminal region of Rat Atf5                              |
| Product Description        | Atf5 plays a role in inhibition of nerve growth factor-induced neuronal outgrowth and regulation of neurogenesis.... |
| Clonality                  | Polyclonal                                                                                                           |
| Concentration              | 0.5 mg/ml                                                                                                            |
| Molecular Weight           | 30kDa                                                                                                                |
| NCBI                       | <a href="#">282840</a>                                                                                               |
| UniProt                    | <a href="#">Q6P788</a>                                                                                               |

|      |                                                                                                   |
|------|---------------------------------------------------------------------------------------------------|
| Form | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
