| Category                   | Proteine/Peptide                                                                                                                                                                                                                                              |
| Application                | WB                                                                                                                                                                                                                                                            |
| Species Reactivity         | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Porcine, Rabbit, Rat, Zebrafish                                                                                                                                                                             |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the middle region of Human UNC5C                                                                                                                                                                        |
| Product Description        | UNC5C belongs to the UNC-5 family of netrin receptors. Netrins are secreted proteins that direct axon extension and cell migration during neural development. They are bifunctional proteins that act as attractants for some cell types and as repellents... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                    |
| Concentration              | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molecular Weight           | 65kDa                                                                                                                                                                                                                                                         |
| NCBI                       | <a href="#">8633</a>                                                                                                                                                                                                                                          |

|         |                                                                                                   |
