### **RBBP9 Capture Antibody ASB-OAOA21553**

|                            |                                                                                                |
|----------------------------|------------------------------------------------------------------------------------------------|
| Article Name               | RBBP9 Capture Antibody                                                                         |
| Biozol Catalog Number      | ASB-OAOA21553                                                                                  |
| Supplier Catalog Number    | OAOA21553                                                                                      |
| Alternative Catalog Number | ASB-OAOA21553-100UG                                                                            |
| Manufacturer               | Aviva                                                                                          |
| Host                       | Mouse                                                                                          |
| Category                   | Proteine/Peptide                                                                               |
| Application                | ELISA, Multiplex Assay                                                                         |
| Species Reactivity         | Human, Mouse, Rat                                                                              |
| Immunogen                  | Full length human recombinant protein of human RBBP9 (NM_006606) produced in HEK293T cell.     |
| Product Description        | Homo sapiens RB binding protein 9, serine hydrolase (RBBP9), mRNA, Putative hydrolase RBBP9... |
| Clonality                  | Monoclonal                                                                                     |
| Concentration              | 0.5 mg/ml                                                                                      |
| Clone Designation          | [OTI4G9]                                                                                       |
| Isotype                    | IgG1                                                                                           |
| NCBI                       | <a href="#">10741</a>                                                                          |

|                    |                                                                             |
|--------------------|-----------------------------------------------------------------------------|
| Form               | Stored in PBS (pH 7.4) containing 0.05% sodium azide and up to 5% trehalose |
| Application Dilute | 1:100 - 1:1000                                                              |
