| Article Name               | TLE1 Detection Antibody                                                                                                    |
| Biozol Catalog Number      | ASB-OAOA22140                                                                                                              |
| Supplier Catalog Number    | OAOA22140                                                                                                                  |
| Alternative Catalog Number | ASB-OAOA22140-50UG                                                                                                         |
| Manufacturer               | Aviva                                                                                                                      |
| Host                       | Mouse                                                                                                                      |
| Category                   | Proteine/Peptide                                                                                                           |
| Application                | ELISA, Multiplex Assay                                                                                                     |
| Species Reactivity         | Human, Mouse, Rat                                                                                                          |
| Immunogen                  | Full length human recombinant protein of human TLE1 (NM_005077) produced in HEK293T cell.                                  |
| Conjugation                | Biotin                                                                                                                     |
| Product Description        | Homo sapiens transducin like enhancer of split 1 (TLE1), transcript variant 2, mRNA, Transducin-like enhancer protein 1... |
| Clonality                  | Monoclonal                                                                                                                 |
| Concentration              | 0.5 mg/ml                                                                                                                  |
| Clone Designation          | [OTI3C9]                                                                                                                   |
| Isotype                    | IgG1                                                                                                                       |
| NCBI                       | <a href="#">7088</a>                                                                                                       |

|                    |                                                                           |
|--------------------|---------------------------------------------------------------------------|
| Form               | Stored in PBS (pH 7.4) with 0.05% sodium azide, 10mg/ml BSA, 50% glycerol |
| Application Dilute | 1:250 - 1:1000                                                            |
