## Product Datasheet

### **pCAG-T7pol EBT-ELKP459**

|                            |                                                                                                                                                        |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | pCAG-T7pol                                                                                                                                             |
| Biozol Catalog Number      | EBT-ELKP459                                                                                                                                            |
| Supplier Catalog Number    | ELKP459                                                                                                                                                |
| Alternative Catalog Number | EBT-ELKP459-1                                                                                                                                          |
| Manufacturer               | ELK Biotechnology                                                                                                                                      |
| Category                   | Molekularbiologie                                                                                                                                      |
| Application Notes          | Specification: 20 µl plasmid. Resistance in prokaryotes: Amp. Strains for cloning : DH5alpha. Spot(Carrier/Vector): Mammalian cells, expression vector |
