## Product Datasheet

### pYC2-CT EBT-ELKP488

|                            |                                                                                                                                              |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | pYC2-CT                                                                                                                                      |
| Biozol Catalog Number      | EBT-ELKP488                                                                                                                                  |
| Supplier Catalog Number    | ELKP488                                                                                                                                      |
| Alternative Catalog Number | EBT-ELKP488-1                                                                                                                                |
| Manufacturer               | ELK Biotechnology                                                                                                                            |
| Category                   | Molekularbiologie                                                                                                                            |
| Application Notes          | Specification: 20 µl plasmid. Resistance in prokaryotes: Amp. Strains for cloning : DH5alpha. Spot(Carrier/Vector): Yeast, expression vector |
