## Product Datasheet

### **pRSETB-mCherry EBT-ELKP526**

|                            |                                                                                                                                                         |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | pRSETB-mCherry                                                                                                                                          |
| Biozol Catalog Number      | EBT-ELKP526                                                                                                                                             |
| Supplier Catalog Number    | ELKP526                                                                                                                                                 |
| Alternative Catalog Number | EBT-ELKP526-1                                                                                                                                           |
| Manufacturer               | ELK Biotechnology                                                                                                                                       |
| Category                   | Molekularbiologie                                                                                                                                       |
| Application Notes          | Specification: 20 µl plasmid. Resistance in prokaryotes: Amp. Strains for cloning : DH5alpha. Spot(Carrier/Vector): Escherichia coli, expression vector |
