## Product Datasheet

### **PX552** **EBT-ELKP580**

|                            |                                                                                                                                                             |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | PX552                                                                                                                                                       |
| Biozol Catalog Number      | EBT-ELKP580                                                                                                                                                 |
| Supplier Catalog Number    | ELKP580                                                                                                                                                     |
| Alternative Catalog Number | EBT-ELKP580-1                                                                                                                                               |
| Manufacturer               | ELK Biotechnology                                                                                                                                           |
| Category                   | Molekularbiologie                                                                                                                                           |
| Application Notes          | Specification: 20 µl plasmid. Resistance in prokaryotes: Amp. Strains for cloning : stbl3. Spot(Carrier/Vector): Mammalian cells, AAV, Gene editing, CRISPR |
