## Product Datasheet

### **pCHAC-mt-mKeima EBT-ELKP838**

|                            |                                                                                                                                                           |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | pCHAC-mt-mKeima                                                                                                                                           |
| Biozol Catalog Number      | EBT-ELKP838                                                                                                                                               |
| Supplier Catalog Number    | ELKP838                                                                                                                                                   |
| Alternative Catalog Number | EBT-ELKP838-1                                                                                                                                             |
| Manufacturer               | ELK Biotechnology                                                                                                                                         |
| Category                   | Molekularbiologie                                                                                                                                         |
| Application Notes          | Specification: 20 µl plasmid. Resistance in prokaryotes: Amp. Strains for cloning : NEB Stable. Spot(Carrier/Vector): Fluorescent protein reporter system |
