| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                                                                                             |
| Immunogen                  | Synthesized peptide derived from AR-beta2 . at AA range: 300-380                                                                                                                                                                                              |
| Product Description        | This gene encodes beta-2-adrenergic receptor which is a member of the G protein-coupled receptor superfamily. This receptor is directly associated with one of its ultimate effectors, the class C L-type calcium channel Ca(V)1.2. This receptor-channel ... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                    |
| Concentration              | 1 mg/ml                                                                                                                                                                                                                                                       |
| Molecular Weight           | 46kD                                                                                                                                                                                                                                                          |
| NCBI                       | <a href="#">154</a>                                                                                                                                                                                                                                           |
| UniProt                    | <a href="#">P07550</a>                                                                                                                                                                                                                                        |

|                    |                                                                                    |
|--------------------|------------------------------------------------------------------------------------|
| Application Dilute | Western Blot: 1/500 - 1/2000. ELISA: 1/5000. Not yet tested in other applications. |
