| Article Name               | GAPDH Polyclonal Antibody, Unconjugated, Rabbit                                                 |
| Biozol Catalog Number      | RDD-RD240337A                                                                                   |
| Supplier Catalog Number    | RD240337A                                                                                       |
| Alternative Catalog Number | RDD-RD240337A-30,RDD-RD240337A-60,RDD-RD240337A-120,RDD-RD240337A-200                           |
| Manufacturer               | reddot Biotech                                                                                  |
| Host                       | Rabbit                                                                                          |
| Category                   | Antikörper                                                                                      |
| Application                | IHC, WB                                                                                         |
| Species Reactivity         | Human, Mouse, Rat                                                                               |
| Immunogen                  | Recombinant Zebrafish Glyceraldehyde-3-phosphate dehydrogenase protein                          |
| Conjugation                | Unconjugated                                                                                    |
| Product Description        | This is a GAPDH Control Antibody from Reddot Biotech. This product is for Research Use Only.... |
| Clonality                  | Polyclonal                                                                                      |
| Concentration              | 0.66 mg/mL                                                                                      |
| Molecular Weight           | Observed MW: 35 kDa. Observed MW: 35 kDa                                                        |
| Buffer                     | PBS with 0.05% Proclin300, 50% glycerol, pH7.3                                                  |
