| Manufacturer               | reddot Biotech                                                                                                                                                                    |
| Category                   | Kits/Assays                                                                                                                                                                       |
| Application                | ELISA                                                                                                                                                                             |
| Species Reactivity         | Rat                                                                                                                                                                               |
| Product Description        | This Rat Protein C (PROC) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in plasma . This product is for Research Use Only.... |
| Range                      | 1.56-100ng/mL                                                                                                                                                                     |
| Sensitivity                | 0.42ng/mL                                                                                                                                                                         |
| Samples                    | plasma                                                                                                                                                                            |
| Target                     | Rat Protein C (PROC)                                                                                                                                                              |
| Application Notes          | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                              |
