| Category                   | Kits/Assays                                                                                                                                                                                                                                           |
| Application                | ELISA                                                                                                                                                                                                                                                 |
| Species Reactivity         | Human                                                                                                                                                                                                                                                 |
| Product Description        | This Human Spleen Tyrosine Kinase (SYK) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in tissue homogenates, cell lysates and other biological fluids . This product is for Research Use Only.... |
| Range                      | 0.625-40ng/mL                                                                                                                                                                                                                                         |
| Sensitivity                | 0.244ng/mL                                                                                                                                                                                                                                            |
| Samples                    | tissue homogenates, cell lysates and other biological fluids                                                                                                                                                                                          |
| Target                     | Human Spleen Tyrosine Kinase (SYK)                                                                                                                                                                                                                    |
| Application Notes          | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                                  |
