| Category                   | Kits/Assays                                                                                                                                                                                                                                                   |
| Application                | ELISA                                                                                                                                                                                                                                                         |
| Species Reactivity         | Human                                                                                                                                                                                                                                                         |
| Product Description        | This Human Ubiquitin Specific Peptidase 8 (USP8) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in tissue homogenates, cell lysates and other biological fluids . This product is for Research Use Only... |
| Range                      | 0.312-20ng/mL                                                                                                                                                                                                                                                 |
| Sensitivity                | 0.101ng/mL                                                                                                                                                                                                                                                    |
| Samples                    | tissue homogenates, cell lysates and other biological fluids                                                                                                                                                                                                  |
| Target                     | Human Ubiquitin Specific Peptidase 8 (USP8)                                                                                                                                                                                                                   |
| Application Notes          | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                                          |
