| Species Reactivity         | Human                                                                                                                  |
| Immunogen                  | A synthesized peptide derived from human Apg10 (Atg10)                                                                 |
| Conjugation                | Unconjugated                                                                                                           |
| Product Description        | This is a Apg10 (Atg10) Rabbit mAb Recombinant Antibody from Reddot Biotech. This product is for Research Use Only.... |
| Clonality                  | Monoclonal                                                                                                             |
| Buffer                     | Phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.                                    |
| Antibody Type              | Recombinant Antibody                                                                                                   |
