## Product Datasheet

### Human IL-4, Clone: [PS00-66], Biotin, Rabbit, Monoclonal HBO-HA721368

|                            |                                                                      |
|----------------------------|----------------------------------------------------------------------|
| Article Name               | Human IL-4, Clone: [PS00-66], Biotin, Rabbit, Monoclonal             |
| Biozol Catalog Number      | HBO-HA721368                                                         |
| Supplier Catalog Number    | HA721368                                                             |
| Alternative Catalog Number | HBO-HA721368                                                         |
| Manufacturer               | HUABIO                                                               |
| Host                       | Rabbit                                                               |
| Category                   | Antikörper                                                           |
| Application                | ELISA                                                                |
| Species Reactivity         | Human                                                                |
| Immunogen                  | Recombinant full length protein.                                     |
| Conjugation                | Biotin                                                               |
| Clonality                  | Monoclonal                                                           |
| Concentration              | 1 mg/ml                                                              |
| Clone Designation          | [PS00-66]                                                            |
| Molecular Weight           | Predicted band size: 17.5 kDa                                        |
| UniProt                    | <a href="#">P05112</a>                                               |
| Buffer                     | PBS (pH7.4), 0.1% BSA, 40% Glycerol. Preservative: 0.05% ProClin300. |
| Purity                     | Protein A affinity purified.                                         |

|                    |                                                                                                                                                      |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Form               | Liquid                                                                                                                                               |
| Application Dilute | ELISA(Det): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PS00-67] to IL-4 (Capture) (HA721230). |
