## Product Datasheet

### Human MMP-8, Clone: [PSH03-33], Unconjugated, Rabbit, Monoclonal HBO-HA721978

|                            |                                                                  |
|----------------------------|------------------------------------------------------------------|
| Article Name               | Human MMP-8, Clone: [PSH03-33], Unconjugated, Rabbit, Monoclonal |
| Biozol Catalog Number      | HBO-HA721978                                                     |
| Supplier Catalog Number    | HA721978                                                         |
| Alternative Catalog Number | HBO-HA721978                                                     |
| Manufacturer               | HUABIO                                                           |
| Host                       | Rabbit                                                           |
| Category                   | Antikörper                                                       |
| Application                | ELISA                                                            |
| Species Reactivity         | Human                                                            |
| Immunogen                  | Recombinant protein within Human MMP8 aa 21-467 (P22894).        |
| Conjugation                | Unconjugated                                                     |
| Clonality                  | Monoclonal                                                       |
| Concentration              | 1 mg/mL.                                                         |
| Clone Designation          | [PSH03-33]                                                       |
| Molecular Weight           | Predicted band size: 53.4 kDa                                    |
| UniProt                    | <a href="#">P22894</a>                                           |
| Buffer                     | PBS (pH7.4).                                                     |
| Purity                     | Protein A affinity purified.                                     |

|                    |                                                                                                                                                                                                                                                                 |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Form               | Liquid                                                                                                                                                                                                                                                          |
| Application Dilute | ELISA(Cap): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH03-34] to Human MMP8 (Detecor) (HA721979) and recombinant standard Human MMP8 (HA210646) as the standard. The reference range value is 20.6-50 |
