## Product Datasheet

### **CRYAA, Clone: [JE35-23], Unconjugated, Rabbit, Monoclonal HBO-HA722306**

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Article Name               | CRYAA, Clone: [JE35-23], Unconjugated, Rabbit, Monoclonal                  |
| Biozol Catalog Number      | HBO-HA722306                                                               |
| Supplier Catalog Number    | HA722306                                                                   |
| Alternative Catalog Number | HBO-HA722306                                                               |
| Manufacturer               | HUABIO                                                                     |
| Host                       | Rabbit                                                                     |
| Category                   | Antikörper                                                                 |
| Application                | WB                                                                         |
| Species Reactivity         | Mouse, Rat                                                                 |
| Immunogen                  | Recombinant protein within Human CRYAA aa 1-100 / 173.                     |
| Conjugation                | Unconjugated                                                               |
| Clonality                  | Monoclonal                                                                 |
| Concentration              | 1 mg/mL.                                                                   |
| Clone Designation          | [JE35-23]                                                                  |
| Molecular Weight           | Predicted band size: 20 kDa                                                |
| UniProt                    | <a href="#">P24622</a>                                                     |
| Buffer                     | 1*TBST (pH7.4), 0.05% BSA, 40% Glycerol. Preservative: 0.05% Sodium Azide. |
| Purity                     | Protein A affinity purified.                                               |

|                    |             |
|--------------------|-------------|
| Form               | Liquid      |
| Application Dilute | WB: 1:1,000 |
