## Product Datasheet

### Human Prolactin, Clone: [PSH03-14], Biotin, Rabbit, Monoclonal HBO-HA722627B

|                            |                                                                      |
|----------------------------|----------------------------------------------------------------------|
| Article Name               | Human Prolactin, Clone: [PSH03-14], Biotin, Rabbit, Monoclonal       |
| Biozol Catalog Number      | HBO-HA722627B                                                        |
| Supplier Catalog Number    | HA722627B                                                            |
| Alternative Catalog Number | HBO-HA722627B                                                        |
| Manufacturer               | HUABIO                                                               |
| Host                       | Rabbit                                                               |
| Category                   | Antikörper                                                           |
| Application                | ELISA                                                                |
| Species Reactivity         | Human                                                                |
| Immunogen                  | Recombinant protein within human Prolactin aa 29-227.                |
| Conjugation                | Biotin                                                               |
| Clonality                  | Monoclonal                                                           |
| Concentration              | 1 mg/ml                                                              |
| Clone Designation          | [PSH03-14]                                                           |
| Molecular Weight           | Predicted band size: 25.9 kDa                                        |
| UniProt                    | <a href="#">P01236</a>                                               |
| Buffer                     | PBS (pH7.4), 0.1% BSA, 40% Glycerol. Preservative: 0.05% ProClin300. |
| Purity                     | Protein A affinity purified.                                         |

|                    |                                                                                                                                                                                                                                                                |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Form               | Liquid                                                                                                                                                                                                                                                         |
| Application Dilute | ELISA(Det): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH03-13] to Human Prolactin (Capture) (HA721941) and recombinant standard Human Prolactin (HA210676) as the standard. The reference range value |
