## Product Datasheet

### Human Interferon gamma, Clone: [PSH01-47], Biotin, Rabbit, Monoclonal HBO-HA722645B

|                            |                                                                       |
|----------------------------|-----------------------------------------------------------------------|
| Article Name               | Human Interferon gamma, Clone: [PSH01-47], Biotin, Rabbit, Monoclonal |
| Biozol Catalog Number      | HBO-HA722645B                                                         |
| Supplier Catalog Number    | HA722645B                                                             |
| Alternative Catalog Number | HBO-HA722645B                                                         |
| Manufacturer               | HUABIO                                                                |
| Host                       | Rabbit                                                                |
| Category                   | Antikörper                                                            |
| Application                | ELISA                                                                 |
| Species Reactivity         | Human                                                                 |
| Immunogen                  | Recombinant protein within human Interferon gamma aa 24-161.          |
| Conjugation                | Biotin                                                                |
| Clonality                  | Monoclonal                                                            |
| Concentration              | 1 mg/mL.                                                              |
| Clone Designation          | [PSH01-47]                                                            |
| UniProt                    | <a href="#">P01579</a>                                                |
| Buffer                     | PBS (pH7.4), 0.1% BSA, 40% Glycerol. Preservative: 0.05% ProClin300.  |
| Purity                     | Protein A affinity purified.                                          |

| Form               | Liquid                                                                                                                                                                                             |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | ELISA(Det): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH01-45] or [PSH01-46]to Human Interferon gamma (Capture) (HA721683) or (HA721684). |
