## Product Datasheet

### Phospho-RICTOR (T1135), Clone: [PSH09-92], Unconjugated, Rabbit, Monoclonal HBO-HA723161

|                            |                                                                                          |
|----------------------------|------------------------------------------------------------------------------------------|
| Article Name               | Phospho-RICTOR (T1135), Clone: [PSH09-92], Unconjugated, Rabbit, Monoclonal              |
| Biozol Catalog Number      | HBO-HA723161                                                                             |
| Supplier Catalog Number    | HA723161                                                                                 |
| Alternative Catalog Number | HBO-HA723161                                                                             |
| Manufacturer               | HUABIO                                                                                   |
| Host                       | Rabbit                                                                                   |
| Category                   | Antikörper                                                                               |
| Application                | WB                                                                                       |
| Species Reactivity         | Human, Mouse                                                                             |
| Immunogen                  | Synthetic phospho-peptide corresponding to residues surrounding Thr1135 of Human RICTOR. |
| Conjugation                | Unconjugated                                                                             |
| Clonality                  | Monoclonal                                                                               |
| Concentration              | 1 mg/mL.                                                                                 |
| Clone Designation          | [PSH09-92]                                                                               |
| Molecular Weight           | Predicted band size: 192 kDa                                                             |
| UniProt                    | <a href="#">Q6R327</a>                                                                   |

|                    |                                                                        |
|--------------------|------------------------------------------------------------------------|
| Buffer             | PBS (pH7.4), 0.1% BSA, 40% Glycerol. Preservative: 0.05% Sodium Azide. |
| Purity             | Protein A affinity purified.                                           |
| Form               | Liquid                                                                 |
| Application Dilute | WB: 1:2,000                                                            |
