| Article Name               | Neuropeptide Y, Clone: [PSH16-90], Biotin, Rabbit, Monoclonal        |
| Biozol Catalog Number      | HBO-HA723886B                                                        |
| Supplier Catalog Number    | HA723886B                                                            |
| Alternative Catalog Number | HBO-HA723886B                                                        |
| Manufacturer               | HUABIO                                                               |
| Host                       | Rabbit                                                               |
| Category                   | Antikörper                                                           |
| Application                | ELISA                                                                |
| Species Reactivity         | Human, Mouse, Rat                                                    |
| Immunogen                  | Synthetic peptide within Human Neuropeptide Y aa 29-64 (HA211303).   |
| Conjugation                | Biotin                                                               |
| Clonality                  | Monoclonal                                                           |
| Concentration              | 1 mg/mL.                                                             |
| Clone Designation          | [PSH16-90]                                                           |
| UniProt                    | <a href="#">P01303</a>                                               |
| Buffer                     | PBS (pH7.4), 0.1% BSA, 40% Glycerol. Preservative: 0.05% ProClin300. |
| Purity                     | Protein A affinity purified.                                         |

| Form               | Liquid                                                                                                                                                                                                                                                          |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | ELISA(Det): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH16-88] to Human Neuropeptide Y antibody (Capture) (HA723884) and Recombinant Human Neuropeptide Y protein (HA211303) as the standard. The refe |
