| Article Name               | Human Acetylcholinesterase, Clone: [PSH17-03], Unconjugated, Rabbit, Monoclonal |
| Biozol Catalog Number      | HBO-HA725224                                                                    |
| Supplier Catalog Number    | HA725224                                                                        |
| Alternative Catalog Number | HBO-HA725224                                                                    |
| Manufacturer               | HUABIO                                                                          |
| Host                       | Rabbit                                                                          |
| Category                   | Antikörper                                                                      |
| Application                | ELISA                                                                           |
| Species Reactivity         | Human                                                                           |
| Immunogen                  | Recombinant protein within Human Acetylcholinesterase aa 32-614 (HA211178).     |
| Conjugation                | Unconjugated                                                                    |
| Clonality                  | Monoclonal                                                                      |
| Concentration              | 1 mg/mL.                                                                        |
| Clone Designation          | [PSH17-03]                                                                      |
| UniProt                    | <a href="#">P22303</a>                                                          |
| Buffer                     | PBS (pH7.4).                                                                    |

|                    |                                                                                                                                                                                                                                                                 |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Purity             | Protein A affinity purified.                                                                                                                                                                                                                                    |
| Form               | Liquid                                                                                                                                                                                                                                                          |
| Application Dilute | ELISA(Det): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH17-02] to Human Acetylcholinesterase antibody (Capture) (HA725223) and Recombinant Human Acetylcholinesterase protein (HA211178) as the standa |
