| Manufacturer               | EnkiLife                                                                                                                                              |
| Host                       | Mouse                                                                                                                                                 |
| Category                   | Antikörper                                                                                                                                            |
| Application                | IHC                                                                                                                                                   |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                     |
| Conjugation                | Unconjugated                                                                                                                                          |
| Product Description        | Tyrosine kinase of the non-receptor type, involved in the IFN-alpha/beta/gamma signal pathway. Kinase partner for the interleukin (IL)-2 receptor.... |
| Clonality                  | Monoclonal                                                                                                                                            |
| Isotype                    | IgG1                                                                                                                                                  |
| NCBI                       | <a href="#">3716</a>                                                                                                                                  |
| UniProt                    | <a href="#">P23458</a>                                                                                                                                |
| Buffer                     | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide, pH 7.3.                                                                       |

|                    |                       |
