| Manufacturer               | EnkiLife                                                                                                                                                                             |
| Host                       | Mouse                                                                                                                                                                                |
| Category                   | Antikörper                                                                                                                                                                           |
| Application                | ICC, IP, WB                                                                                                                                                                          |
| Species Reactivity         | Human                                                                                                                                                                                |
| Conjugation                | Unconjugated                                                                                                                                                                         |
| Product Description        | Component of the core-TFIIF basal transcription factor involved in nucleotide excision repair (NER) of DNA and, when complexed to CAK, in RNA transcription by RNA polymerase II.... |
| Clonality                  | Monoclonal                                                                                                                                                                           |
| Molecular Weight           | Calculated MW: 62 kDa, Observed MW: 62 kDa                                                                                                                                           |
| Isotype                    | IgG1                                                                                                                                                                                 |
| NCBI                       | <a href="#">2965</a>                                                                                                                                                                 |
| UniProt                    | <a href="#">P32780</a>                                                                                                                                                               |

|                    |                                                                                 |
|--------------------|---------------------------------------------------------------------------------|
| Buffer             | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide, pH 7.3. |
| Purity             | Affinity Purification                                                           |
| Form               | Liquid                                                                          |
| Target             | GTF2H1                                                                          |
| Application Dilute | WB 1:500-1:1000,ICC/IF 1:50-1:200,IP 1:20-1:50                                  |
