## Product Datasheet

### **Potassium (2R,3S,4R,5R)-2,3,4,5,6-pentahydroxyhexanoate - CS-0108842, CAS [[299-27-4]] CMS-F463597**

|                            |                                                                                        |
|----------------------------|----------------------------------------------------------------------------------------|
| Article Name               | Potassium (2R,3S,4R,5R)-2,3,4,5,6-pentahydroxyhexanoate - CS-0108842, CAS [[299-27-4]] |
| Biozol Catalog Number      | CMS-F463597                                                                            |
| Supplier Catalog Number    | F463597                                                                                |
| Alternative Catalog Number | CMS-F463597-100G, CMS-F463597-500G                                                     |
| Manufacturer               | Fluorochem                                                                             |
| Category                   | Biochemikalien                                                                         |
| Molecular Weight           | 234.245                                                                                |
| Purity                     | 95.0%                                                                                  |
| Form                       | Solid                                                                                  |
| CAS Number                 | [299-27-4]                                                                             |
| Formula                    | C6H11KO7                                                                               |
