| Alternative Catalog Number | TGM-T12055-1MG                                                                                                                                                                                                                                                |
| Manufacturer               | TargetMol                                                                                                                                                                                                                                                     |
| Category                   | Biochemikalien                                                                                                                                                                                                                                                |
| Product Description        | MK 0893 is a potent and selective Glucagon Receptor (GR) antagonist (IC50=6.6 nM) with competitive, reversible, high binding affinity and functional cAMP activity, which attenuates glucagon induced blood glucose elevation and reduces ambient glucose ... |
| Molecular Weight           | 588.48                                                                                                                                                                                                                                                        |
| Purity                     | 98.79%                                                                                                                                                                                                                                                        |
| CAS Number                 | [870823-12-4]                                                                                                                                                                                                                                                 |
| Formula                    | C32H27Cl2N3O4                                                                                                                                                                                                                                                 |
