## Product Datasheet

### Adenosine 5-Monophosphoramidate, CAS [[102029-68-5]] USB-001669

|                            |                                                                                                                                 |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Adenosine 5-Monophosphoramidate, CAS [[102029-68-5]]                                                                            |
| Biozol Catalog Number      | USB-001669                                                                                                                      |
| Supplier Catalog Number    | 001669                                                                                                                          |
| Alternative Catalog Number | USB-001669-10                                                                                                                   |
| Manufacturer               | US Biological                                                                                                                   |
| Category                   | Biochemikalien                                                                                                                  |
| Product Description        | Used in the characterization and elucidation of coordination requirements of adenine nucleotides complexes with Fe(II) ions.... |
| Molecular Weight           | 368.22                                                                                                                          |
| CAS Number                 | [102029-68-5]                                                                                                                   |
