| Article Name               | Glycidyl Stearate, CAS [[7460-84-6]]                                                                                                                       |
| Biozol Catalog Number      | USB-012926                                                                                                                                                 |
| Supplier Catalog Number    | 012926                                                                                                                                                     |
| Alternative Catalog Number | USB-012926-500                                                                                                                                             |
| Manufacturer               | US Biological                                                                                                                                              |
| Category                   | Molekularbiologie                                                                                                                                          |
| Product Description        | Acid-hydrolyzable ester derivatives as low calorie fat mimetics Form: White Solid Melting Point: 45-46C Solubility: Chloroform, Ethyl Acetate, Methanol... |
| Molecular Weight           | 340.54                                                                                                                                                     |
| Form                       | White Solid                                                                                                                                                |
| CAS Number                 | [7460-84-6]                                                                                                                                                |
