| Host                       | Mouse                                                                                                                                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | ELISA, WB                                                                                                                                                                                                                                                     |
| Immunogen                  | Partial recombinant corresponding to aa241-342 from human PCDHGA1 (NP_061735) with GST tag. MW of the GST tag alone is 26kD.                                                                                                                                  |
| Product Description        | Potential calcium-dependent cell-adhesion protein. May be involved in the establishment and maintenance of specific neuronal connections in the brain. Applications: Suitable for use in ELISA and Western Blot. Other applications not tested. Recommende... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [4C9]                                                                                                                                                                                                                                                         |
| NCBI                       | <a href="#">018912</a>                                                                                                                                                                                                                                        |
| Purity                     | Purified by Protein A affinity chromatography.                                                                                                                                                                                                                |

Form

Supplied as a liquid in PBS, pH 7.2.
