| Manufacturer               | US Biological                                                                                                                                                                                                                                                 |
| Category                   | Molekularbiologie                                                                                                                                                                                                                                             |
| Application                | WB                                                                                                                                                                                                                                                            |
| Product Description        | Control peptide for N2176-63F, anti-Neuropeptide Y Y2 Receptor (NPY Y2R). Several subtypes of NPY Receptors have been described of which the cloned Y1-, Y2- and Y5- receptors, members of the superfamily of G-protein coupled receptors, appear to be th... |
| Molecular Weight           | 1173.28                                                                                                                                                                                                                                                       |
| Purity                     | 90%                                                                                                                                                                                                                                                           |
| Form                       | Supplied as a lyophilized powder.                                                                                                                                                                                                                             |
