## Product Datasheet

**Troponin I-Cardiac (aa65-74) (APC), IgG1, Clone: [8J73], Mouse,  
Monoclonal  
USB-T8665-13D3-APC**

|                            |                                                                                                                                                                                                                                                              |

| Category                   | Antikörper                                                                                                                                                                                                                                                   |
| Application                | FLISA, IHC, IP, WB                                                                                                                                                                                                                                           |
| Immunogen                  | Free human cTnI and native human cTn complex.                                                                                                                                                                                                                |
| Product Description        | Applications: Suitable for use in FLISA, Immunoprecipitation, immunohistochemistry, immunoaffinity purification and Western blot. Other applications have not been tested. Recommended Dilutions: Optimal dilutions to be determined by the researcher. H... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                   |
| Clone Designation          | [8J73]                                                                                                                                                                                                                                                       |
| Isotype                    | IgG1                                                                                                                                                                                                                                                         |
| Purity                     | Purified by Protein A affinity chromatography from ascites.                                                                                                                                                                                                  |
| Form                       | Supplied as a liquid in PBS, pH 7.2. Labeled with Allophycocyanin (APC).                                                                                                                                                                                     |
