| Host                       | Mouse                                                                                                                                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | FLISA                                                                                                                                                                                                                                                         |
| Immunogen                  | Free human cardiac troponin 1                                                                                                                                                                                                                                 |
| Product Description        | MaxLight(TM)650 is a new Far-IR stable dye conjugate comparable to Alexa Fluor(TM)647, DyLight(TM)649, Cy5(TM) and offers better labeling efficiency, brighter imaging and increased immunodetection. Absorbance (655nm), Emission (676nm), Extinction Coe... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [2Q1109 8E10]                                                                                                                                                                                                                                                 |
| Isotype                    | IgG1                                                                                                                                                                                                                                                          |

|         |                                                                                           |
|---------|-------------------------------------------------------------------------------------------|
| UniProt | <a href="#">P19429</a>                                                                    |
| Purity  | Purified by Protein A affinity chromatography.                                            |
| Form    | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with MaxLight(TM)650. |
