| Article Name               | IRF3 (phospho S386) recombinant monoclonal antibody, clone 4H10,<br>Clone: [4H10], Monoclonal                               |
| Biozol Catalog Number      | ABN-RAB08053                                                                                                                |
| Supplier Catalog Number    | RAB08053                                                                                                                    |
| Alternative Catalog Number | ABN-RAB08053-50                                                                                                             |
| Manufacturer               | Abnova                                                                                                                      |
| Category                   | Antikörper                                                                                                                  |
| Application                | ELISA, WB                                                                                                                   |
| Species Reactivity         | Human                                                                                                                       |
| Immunogen                  | Original antibody is raised against a synthetic phosphopeptide<br>corresponding to residues surrounding S386 of human IRF3. |
| Product Description        | Rabbit recombinant monoclonal antibody raised against human<br>IRF3....                                                     |
| Clonality                  | Monoclonal                                                                                                                  |
| Clone Designation          | [4H10]                                                                                                                      |
| UniProt                    | 3661                                                                                                                        |
| Buffer                     | In PBS, 150 mM NaCl, pH 7.4 (50% glycerol, 0.02% sodium azide)                                                              |
| Form                       | Liquid                                                                                                                      |
| Target                     | IRF3                                                                                                                        |

|                    |                                                                                                    |
|--------------------|----------------------------------------------------------------------------------------------------|
| Application Dilute | ELISAWestern Blot (1:500-1:5000)The optimal working dilution should be determined by the end user. |
