## Product Datasheet

### **FASN recombinant monoclonal antibody, clone 2A5, Clone: [2A5], Monoclonal ABN-RAB08098**

|                            |                                                                                                  |
|----------------------------|--------------------------------------------------------------------------------------------------|
| Article Name               | FASN recombinant monoclonal antibody, clone 2A5, Clone: [2A5], Monoclonal                        |
| Biozol Catalog Number      | ABN-RAB08098                                                                                     |
| Supplier Catalog Number    | RAB08098                                                                                         |
| Alternative Catalog Number | ABN-RAB08098-50                                                                                  |
| Manufacturer               | Abnova                                                                                           |
| Category                   | Antikörper                                                                                       |
| Application                | ELISA, FC, IF                                                                                    |
| Species Reactivity         | Human                                                                                            |
| Immunogen                  | Original antibody is raised against recombinant protein corresponding to full length human FASN. |
| Product Description        | Rabbit recombinant monoclonal antibody raised against human FASN....                             |
| Clonality                  | Monoclonal                                                                                       |
| Clone Designation          | [2A5]                                                                                            |
| UniProt                    | 2194                                                                                             |
| Buffer                     | In PBS, pH7.4 (150mM NaCl, 50% glycerol and 0.02% sodium azide)                                  |
| Form                       | Liquid                                                                                           |
| Target                     | FASN                                                                                             |

|                    |                                                                                                                                     |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | ELISAFlow Cytometry (1:20-1:200)Immunohistochemistry (1:50-1:200)The optimal working dilution should be determined by the end user. |
