## Product Datasheet

### **PCSK9 recombinant monoclonal antibody, clone 7F2, Clone: [7F2], Monoclonal ABN-RAB08243**

|                            |                                                                                                   |
|----------------------------|---------------------------------------------------------------------------------------------------|
| Article Name               | PCSK9 recombinant monoclonal antibody, clone 7F2, Clone: [7F2], Monoclonal                        |
| Biozol Catalog Number      | ABN-RAB08243                                                                                      |
| Supplier Catalog Number    | RAB08243                                                                                          |
| Alternative Catalog Number | ABN-RAB08243-50                                                                                   |
| Manufacturer               | Abnova                                                                                            |
| Category                   | Antikörper                                                                                        |
| Application                | ELISA, IHC, WB                                                                                    |
| Species Reactivity         | Human                                                                                             |
| Immunogen                  | Original antibody is raised against recombinant protein corresponding to full length human PCSK9. |
| Product Description        | Rabbit recombinant monoclonal antibody raised against human PCSK9....                             |
| Clonality                  | Monoclonal                                                                                        |
| Clone Designation          | [7F2]                                                                                             |
| UniProt                    | 255738                                                                                            |
| Buffer                     | In PBS, pH7.4 (150mM NaCl, 50% glycerol and 0.02% sodium azide)                                   |
| Form                       | Liquid                                                                                            |
| Target                     | PCSK9                                                                                             |

|                    |                                                                                                                                     |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | ELISAImmunohistochemistry (1:50-1:200)Western Blot (1:500-1:5000)The optimal working dilution should be determined by the end user. |
