## Product Datasheet

### **COMT recombinant monoclonal antibody, clone 8E1, Clone: [8E1], Monoclonal ABN-RAB08578**

|                            |                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------|
| Article Name               | COMT recombinant monoclonal antibody, clone 8E1, Clone: [8E1], Monoclonal            |
| Biozol Catalog Number      | ABN-RAB08578                                                                         |
| Supplier Catalog Number    | RAB08578                                                                             |
| Alternative Catalog Number | ABN-RAB08578-50                                                                      |
| Manufacturer               | Abnova                                                                               |
| Category                   | Antikörper                                                                           |
| Application                | ELISA, IHC-P, WB                                                                     |
| Species Reactivity         | Human                                                                                |
| Immunogen                  | Original antibody is raised against a synthetic peptide corresponding to human COMT. |
| Product Description        | Rabbit recombinant monoclonal antibody raised against human COMT....                 |
| Clonality                  | Monoclonal                                                                           |
| Clone Designation          | [8E1]                                                                                |
| UniProt                    | 1312                                                                                 |
| Buffer                     | In PBS, pH7.4 (150 mM NaCl, 0.02% sodium azide and 50% glycerol)                     |
| Form                       | Liquid                                                                               |
| Target                     | COMT                                                                                 |

|                    |                                                                                                                                     |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | ELISAImmunohistochemistry (1:50-1:200)Western Blot (1:500-1:5000)The optimal working dilution should be determined by the end user. |
