## Product Datasheet

### Apolipoprotein H (APOH) Antibody, Unconjugated, Rabbit, Polyclonal ABX001132

|                            |                                                                               |
|----------------------------|-------------------------------------------------------------------------------|
| Article Name               | Apolipoprotein H (APOH) Antibody, Unconjugated, Rabbit, Polyclonal            |
| Biozol Catalog Number      | ABX001132                                                                     |
| Supplier Catalog Number    | abx001132                                                                     |
| Alternative Catalog Number | ABX001132-20UL, ABX001132-100UL, ABX001132-2X100UL                            |
| Manufacturer               | Abbexa                                                                        |
| Host                       | Rabbit                                                                        |
| Category                   | Antikörper                                                                    |
| Application                | ELISA, IF, WB                                                                 |
| Species Reactivity         | Human, Mouse                                                                  |
| Immunogen                  | Recombinant protein corresponding to APOH. The exact sequence is proprietary. |
| Conjugation                | Unconjugated                                                                  |
| Clonality                  | Polyclonal                                                                    |
| Concentration              | > 0.2 mg/ml                                                                   |
| Molecular Weight           | Calculated MW: 38 kDa Observed MW: 45 kDa                                     |
| NCBI                       | <a href="#">350</a>                                                           |
| UniProt                    | <a href="#">P02749</a>                                                        |
| Buffer                     | PBS, pH 7.3, containing 0.02% sodium azide, 50% glycerol.                     |
| Form                       | Liquid                                                                        |

|               |                         |
|---------------|-------------------------|
| Target        | Apolipoprotein H (APOH) |
| Antibody Type | Primary Antibody        |
