| Article Name               | MHC Class I Polypeptide Related Sequence A (MICA) Antibody, Unconjugated, Rabbit, Polyclonal |
| Biozol Catalog Number      | ABX001216                                                                                    |
| Supplier Catalog Number    | abx001216                                                                                    |
| Alternative Catalog Number | ABX001216-60UL, ABX001216-120UL, ABX001216-200UL                                             |
| Manufacturer               | Abbexa                                                                                       |
| Host                       | Rabbit                                                                                       |
| Category                   | Antikörper                                                                                   |
| Application                | WB                                                                                           |
| Species Reactivity         | Human, Mouse, Rat                                                                            |
| Immunogen                  | Recombinant fusion protein corresponding to human MICA                                       |
| Conjugation                | Unconjugated                                                                                 |
| Clonality                  | Polyclonal                                                                                   |
| Concentration              | 1 mg/ml                                                                                      |
| Molecular Weight           | Calculated MW: 31 kDa/42 kDa Observed MW: 43 kDa                                             |
| NCBI                       | <a href="#">4276</a>                                                                         |
| UniProt                    | <a href="#">Q29983</a>                                                                       |
| Buffer                     | PBS, pH 7.3, containing 0.02% sodium azide, 50% glycerol.                                    |

|               |                                                   |
|---------------|---------------------------------------------------|
| Form          | Liquid                                            |
| Target        | MHC Class I Polypeptide Related Sequence A (MICA) |
| Antibody Type | Primary Antibody                                  |
