| Article Name               | ALK Tyrosine Kinase Receptor Phospho-Tyr1604 (ALK pY1604) Antibody, Unconjugated, Rabbit, Polyclonal                                                |
| Biozol Catalog Number      | ABX012454                                                                                                                                           |
| Supplier Catalog Number    | abx012454                                                                                                                                           |
| Alternative Catalog Number | ABX012454-10UG, ABX012454-100UG, ABX012454-200UG, ABX012454-300UG, ABX012454-1MG                                                                    |
| Manufacturer               | Abbexa                                                                                                                                              |
| Host                       | Rabbit                                                                                                                                              |
| Category                   | Antikörper                                                                                                                                          |
| Application                | ELISA, IF, IHC, WB                                                                                                                                  |
| Species Reactivity         | Human                                                                                                                                               |
| Immunogen                  | The antiserum was produced against synthesized phosphopeptide derived from human ALK around the phosphorylation site of tyrosine 1604 (G-H-YP-E-D). |
| Conjugation                | Unconjugated                                                                                                                                        |
| Clonality                  | Polyclonal                                                                                                                                          |
| Concentration              | 1 mg/ml                                                                                                                                             |
| UniProt                    | <a href="#">Q9UM73</a>                                                                                                                              |
| Buffer                     | PBS (without Mg <sup>2+</sup> and Ca <sup>2+</sup> ), pH 7.4, 150 mM NaCl, 0.02% sodium azide, 50% glycerol.                                        |

|               |                                                           |
|---------------|-----------------------------------------------------------|
| Form          | Liquid                                                    |
| Target        | ALK Tyrosine Kinase Receptor Phospho-Tyr1604 (ALK pY1604) |
| Antibody Type | Primary Antibody                                          |
