| Article Name               | Anti-Integrin alpha 4/ITGA4 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                                                         |
| Biozol Catalog Number      | BOB-PB9648-FITC                                                                                                                                           |
| Supplier Catalog Number    | PB9648-FITC                                                                                                                                               |
| Alternative Catalog Number | BOB-PB9648-FITC-100UG                                                                                                                                     |
| Manufacturer               | Boster Bio                                                                                                                                                |
| Host                       | Rabbit                                                                                                                                                    |
| Category                   | Antikörper                                                                                                                                                |
| Application                | FC                                                                                                                                                        |
| Species Reactivity         | Human, Rat                                                                                                                                                |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human Integrin alpha 4, different from the related mouse sequence by one amino acid. |
| Clonality                  | Polyclonal                                                                                                                                                |
| Molecular Weight           | Calculated Molecular Weight: 114900 MW                                                                                                                    |
| NCBI                       | <a href="#">3676</a>                                                                                                                                      |
| UniProt                    | <a href="#">P13612</a>                                                                                                                                    |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                                              |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Purity             | Immunogen affinity purified.                                         |
| Form               | Liquid                                                               |
| Target             | Integrin alpha-4                                                     |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
